We are interested in your opinion!

We would like to talk to you about climate change data and how it relates to your work. The whole interview will take about 1 hour to complete.

All of your feedback will be kept completely confidential and will not be in anyway associated with your name. To keep your information confidential, we will not write your name on our interview notes, we will not label our recordings of our interview with your name and we keep the list of people we interviewed in a secure place where only team members can access it. Unless you give us permission below, we will not share any quotes from your interview (even anonymized ones) outside our project team.

Your participation is voluntary. You may discontinue your participation at any time and there is no penalty if you choose not to participate. There are no risks to you for taking part in this study. If you decide to participate in this study, you will be compensated for your time.

I have read the above information and received answers to any questions I have asked. I consent to take part in this interview and to have any information I provide be used in the manner described above. I understand that my name will not be used in connection to my words or any photos taken during the duration of this interview. I expressly release the U.S. government from and against any and all claims which I have or may have for invasion of privacy, defamation, or any other cause of action arising out of the production, distribution, display or publication of the results of the project, so long as the conditions of use described above are met.
